The ultimate classic stone, Carrara, is the most versatile, beautiful and timeless of all marble for interior applications. This collection of Carrara blend combines a refined aesthetic with an eye to value engineering. It reads like an architect's toolkit of silky, honed Carrara Mosaics. Nature's geometric, the honeycomb-like hexagon field mosaic is a 'must' with its substantial 2-inch tesserae. Classic 5/8" squares and a lovely basketweave never go out of fashion. Speaking of fashion, the Carrara Herringbone pattern mosaic adds a touch of haberdashery-chic to any room.

V3 = MODERATE VARIATION:  
While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example "that little bit of color" on one piece of tile may be the primary color on the next piece.
